

River Houses World Heritage Calendar 2021–2022

THIS is the schedule for our Weekly World Heritage posts on the River Houses website (riverhouses.org), posts that invite your homeschool students to learn about an important World Heritage Site from one of our countries-of-the-week. Follow this simple schedule for a few minutes each week, looking up each locality in your world atlas (riverhouses.org/books), and over the course of the year, almost without realizing it, your students will absorb a wealth of new cultural, historical, and geographical knowledge. (Numbers in parentheses are the UNESCO World Heritage Site numbers at whc.unesco.org.)
