

## River Houses States & Countries Calendar 2021–2022

THIS is the annual calendar for our Sunday States & Countries posts on the River Houses website ([riverhouses.org](http://riverhouses.org)). Follow this simple schedule for a few minutes every week, looking up the entries for each state and country in your homeschool atlas and almanac ([riverhouses.org/books](http://riverhouses.org/books)), and over the course of the year, almost without realizing it, your students will absorb a wealth of new cultural, historical, and geographical knowledge.
